Dear Dr. Belton:

Based on the recommendation by the University Appeal Committee for Retention, Tenure and Promotion, I am asking that Dr. Tonya Rose, Interim Chair of the Department of Curriculum and Instruction, be granted tenure.

I am submitting this recommendation to you for review and submission to the Southern University Board of Supervisors for approval at its August 24, 2018, meeting.

Sincerely,

Dear Dr. Rose:

This letter comes to inform you that the University Appeal Committee for Retention, Tenure and Promotion met on your appeal for 2017-2018. The Committee recommended that the decision to deny promotion be upheld; however, you will be granted Tenure based on the points received on the quantitative evaluation. With tenure, you are entitled to all the rights provided to you by the University.

We appreciate your contributions to the University and wish for you many successful outstanding teaching and scholarly research years in your Department.

Sincerely,

James H. Ammons, Jr.

Dear Dr. Ammons:

This letter comes to inform you that the University Appeal Committee for Retention, Tenure and Promotion met on Tuesday, June 26, 2018 to review an appeal requested by Dr. Tonya Rose, Assistant Professor in the School of Education, because she was denied Tenure and Promotion by Academic Affairs for 2017-2018. The Committee reviewed the Faculty Handbook guidelines for Retention, Tenure and Promotion and made a thorough review of Dr. Rose’s Dossier and came to the following conclusion of facts:

1. The Committee supports the decision by Academic Affairs not to grant Dr. Tonya Rose promotion from Assistant Professor to Associate Professor.

2. The Committee recommends that Dr. Rose be granted Tenure based on the number of points she received in each category on the quantitative evaluation.

If further information is needed relative to the appeal’s process, I will be happy to respond immediately.

Sincerely,

Re: Appeal of Tenure and Promotion Decision (SUBR)

Dear Dr. Ammons:

I am respectfully requesting a reconsideration of your decision to deny my application for a promotion from Assistant to Associate Professor with Tenure in the Department of Curriculum and Instruction, School of Education.

Shortly after joining the faculty in Curriculum and Instruction as a junior faculty member, I was asked to assist with many of the leadership tasks of the department as we prepared for the Council for the Accreditation of Educator Preparation (CAEP) Reaccreditation Visit in Spring 2017. I willingly served the students and my colleagues in my department as I knew that the Chair was not feeling her best. Eventually, the Chair had to take an extended sick leave of absence and unexpectedly passed.

I was a part of the leadership team that worked in 2015 for about a year to develop a new graduate program (MAT in Elementary Education with a focus on Urban Education and Teacher Leadership) that was approved in Spring 2016. I have been serving in the capacity of CAEP Coordinator since Spring 2016 and Interim Chair since Spring 2017. As you know, CAEP has a rigorous accrediting process with thorough standards, and preparation for such a site visit is very intense and time consuming. The overwhelming majority of my time was spent leading the Department of Curriculum and Instruction and preparing for our CAEP accreditation visit in Spring 2017. I am very pleased to report that the School of Education was reaccredited. However, I believe that my quest for tenure and promotion was impacted negatively. My credentials were good enough to serve as Interim Chair and lead the unit through a highly successful reaccreditation visit, but not good enough to earn a promotion with tenure to remain at SUBR.
Please note that I submitted my application for promotion with tenure during the 2016-2017 cycle. The only deficiency at that time was my time in service, as I missed the five-year requirement by one semester. Each committee at the departmental, school, and college levels did not have any concerns with my application, except for the time in service.

I devoted a lot of time and effort towards serving the faculty, staff and teacher candidates of the Department of Curriculum and Instruction with excellence as Interim Chair and CAEP Coordinator. I believe that I am now being penalized for not having one more publication. For this very reason, a former President of the University of Louisiana System allowed education accreditation institutional reports to serve as publications due to the time commitment and rigorous peer review process. These institutional reports surpass the requirements for a successful peer reviewed journal article.

I hope that you would reconsider my application for a promotion from Assistant to Associate Professor with Tenure. If you need additional information, please contact me at 225-892-2280 or tonya.rose@subr.edu.

Thank you very much for your consideration of this request.

Respectfully submitted,

Tonya Rose, Ph.D.

Dear Dr. Rose,

I have reviewed your request to be granted tenure and promotion, along with all accompanying materials, including the unanimously favorable recommendations of the departmental-level Tenure and Promotion Committee, the Director of the School of Education, and the college-level tenure and promotion committee. My evaluation of your dossier, as well as the policies outlined in the current Faculty Handbook, indicate that you have served Southern University in an exemplary manner, and you are eligible to apply for promotion. My recommendation is that you are granted promotion to Associate Professor with tenure in the Department of Curriculum and Instruction.

Thank you for sharing your gifts and expertise with your students, colleagues, and various external constituents. I look forward to continuing to work with you on future academic initiatives.

Dear Dr. Peoples,

The committee arrived at our assessment of the tenure and promotion application for Dr. Tonya Rose, after careful consideration of her statements, her record of teaching excellence, research publications and creative activities, professional training and experience, professional activities, University activities and student mentoring and advisement.

We concluded that her record of promotion and tenure criteria show work that exceeds the standards for promotion and tenure. Therefore, it is the department's committee recommendation that Dr. Tonya Rose be promoted to the rank of Associate Professor with tenure.

Thank you for the opportunity to serve on this committee.

Sincerely,

Dear Dr. Belton,

Southern University at New Orleans hereby requests that its Associate of Arts in Drug and Substance Abuse be renamed Associate of Arts in Addictive Behavior Counseling and Prevention, per the attached internal approval processes. The Bachelor of Science in Substance Abuse had previously been renamed Bachelor of Science in Addictive Behavior Counseling and Prevention to more accurately describe the focus of the program on counseling and prevention of addictive behavior. Approval of this request will facilitate seamless transition of students from the Associate degree program to the baccalaureate program.

If you concur, we are requesting that the documents be submitted for the approval of the Southern University Board of Supervisors at the August 2018 meeting.

Sincerely,

Lisa Mims-Devezin, Ph.D.

MEMORANDUM

To: Dr. David Adegbuyi,
Vice Chancellor for Academic Affairs

From: Carl P. Johnson, Chair
University Curriculum Committee

Date: July 3, 2018

Re: July 3, 2018 Meeting-Approved Proposal

The University Curriculum Committee approved the following:

The Degree Name Change for the Associate of Arts (AA) Degree in Drug and Substance Abuse to Associate of Arts (AA) Degree in Addictive Behaviors Counseling and Prevention (ABCP).

Rationale: The request to rename the Bachelor of Science (BS) Degree Program to Addictive Behaviors Counseling and Prevention was approved in 2014. This request did not include the Associate of Arts (AA) Degree Program in Drug and Substance Abuse. The requested name change of the AA Degree Program will provide continuity in the ABCP Program’s offering of two degree programs by facilitating and maintaining a seamless transition for students in the AA Program to advance their degree status. The current name of the AA Degree in Drugs and Substance Abuse is outdated and disparate in regards to current trends in treating addiction. Behavior health is the current field of practice and is inclusive of mental health and addiction counseling. The reference to the certified professionals in the field is now addiction counselor rather than substance abuse counselor.

The emergency meeting was called to order by Dr. Johnson at 11:00 A.M.

Proposal: College of Arts and Sciences: “Addictive Behaviors Counseling and Prevention Program”

Presenter: Dr. Evelyn B. Harrell

Dr. Harrell gave an overview that included the scope and expected outcome/impact of changing the name of the Associate of Arts (AA) Degree from Drug and Substance Abuse to Addictive Behaviors Counseling and Prevention. She stated that the current name is outdated and disparate, which doesn’t reflect the shift in thinking about addiction from a name that generates stigma to one that promotes health. Behavior health is the current field of practice and is inclusive of mental health and addiction counseling. The reference to the certified professionals in the field is now addiction counselor rather than substance abuse counselor.

Motion by: Ms. Mosley-Wilson  
Second by: Dr. Alijani  
Vote: The Committee unanimously voted to approve the proposal.

This proposal is being submitted by the Southern University Agricultural Land-Grant Campus to establish the Southern University Institute for Food Science, Nutrition and Wellness.
The purpose of the Southern University Institute for Food Science, Nutrition and Wellness is to bring together teams of faculty, staff and students with a diverse background and education, experienced and stakeholder oriented to work on serious but preventable health problems in our state. Also it will be on the tripartite “land-grant” mission of teaching, research and extension to contribute solutions to improve the health and well-being of our stakeholders and fulfill the State and USDA need programs.

Vision

To be recognized as one of the world renowned institute for conducting innovative food, nutrition and wellness research and education to enhance the quality of life and reduce nutrition and health disparities among Louisiana citizens, nation and the world.
Mission

Make Louisiana “The Healthy State” and the model for the Southern Region, the United States and the world.

Goals

- To conduct research in the areas of food, nutrition, health, food safety, disease prevention and wellness
- To provide education and outreach to the families so they can make practical decisions that can improve their health and wellness.
- To draw on the strengths of the entire university as it physically co-locates and strategically aligns the diverse competencies and deep capacity of Southern University to address society’s major unmet health problems.
- To be recognized at the national and international levels

The Institute will be consisting of four centers which covers different areas of needs. At every level the undergraduate and graduate students will be involved. Each center will function as follows:

**Center for Food Science and Agricultural Products**

- Food Science/ Food Safety
- Functional foods research/nutrition and education
- Food product development and sensory science
- Food analysis/food chemistry/nutrition facts and labeling
- Food Packaging
- Food product marketing, branding, etc.

**Center for Family Nutrition, Health and Wellness**

- Nutrition and health research and outreach
- Obesity research
- Dietary and health assessments (diabetes, hypertension etc.)
- Dietetic Program
- Food Management system
- Family/child care wellness programs with services related to mental and physical health, environmental, economic and cultural factors, counseling, case management, and primary care (will need a medical doctor on board)
- Medication management (health Literacy) and pharmacy services
- Senior programs, community and classroom education
- Mentoring programs, on site counseling (supporting youth and families)
• Nutritional epidemiology and community health research (examine the role of nutrition in the etiology of disease, monitor the nutritional status of populations and develop and evaluate interventions to achieve and maintain healthful eating patterns among populations)
• Web based programs, group programs, businesses and school’s collaboration etc.

**Center for Health and Human Performance**

• Exercise physiology, Exercise tests, Optimal Exercise Suggestions, Exercise behavior change and Sports Psychology,
• Physical activity and health, Sports Nutrition, Consultations (core nutrition concepts and application to diet),
• Body Composition Analysis,
• Fitness testing and health screening
• Obesity and other diseases Epidemiology
• Wellness resource Center, etc.

**Center for Food Policy and Food Access**

• Community Food Assessment, Policy Council and Communities Need
• Government and State Food Policies (SNAP, EFNEP, WIC)
• Corner stores and Healthy options
• Local Businesses
• Food System
• Food Environment
• Health Disparities
• Agricultural land
• Farming, Community Gardens, Farmers Market, Schools, Urban Agriculture
• Food Desserts
• Restaurant and Food establishments (minimum fast food), Chain Restaurants, Transportation, etc.

**Partners:**

• Louisiana Department of Health and other State Agencies
• USDA, FDA, NIH and other Government Agencies
• Policy Makers
• Southern University System
• Hospitals and other health organizations
• Foundations
• Community Leaders/Faith based Organizations
• School /Education System
• Tobacco Free Living/Other Organizations
• Health and Wellbeing Professionals/Insurance, etc.
• Foundations and Private Sectors

- Academy of Nutrition and Dietetics
- Food Companies

Advisory Committee: It will consist of one member from list above.
SOUTHERN UNIVERSITY INSTITUTE FOR AIR, NUTRIENTS, SOIL, WATER, ECOSYSTEM, AND REMOTE SENSING (SU "ANSWERS")

This proposal is being submitted by the Southern University Agricultural Land-Grant Campus to establish the Southern University Institute for Air, Nutrients, Soil, Water, Ecosystem and Remote Sensing.
SU "ANSWERS" Institute

Institute Name: "The ANSWERS Institute" - The Institute for Air, Nutrient, Soil, Water, Ecosystem, and Remote Sensing. The acronym “The ANSWERS Institute” is developed by Dr. Zhu Hua Ning, the institute director. The word “ANSWERS” stands for

A: Air  
N: Nutrient  
S: Soil  
W: Water  
E: Ecosystems  
RS: Remote Sensing

Justification: Southern University often receives requests from the community for natural resource related technical assistance. The technical services that the clienteles need range from water quality, soil quality, air quality, environmental contamination, to disaster mitigation, land use planning, urban forest/forest management, and natural resource management. To address the community needs, we propose to establish “The ANSWERS Institute”. Just as the name indicated, the new Institute will utilize the results from cutting edge research to provide answers for the technical needs of the communities, and deploy analytical laboratories to provide technical assistance to the clienteles.

Mission/Goal: the mission of The ANSWERS Institute is to promote natural and biological resources conservation through research, education, and service to communities both in urban and rural settings.

Objectives: To achieve the mission/goal, the objectives of The ANSWERS Institute are to

1. Conduct cutting edge research focusing on natural and biological resources such as water, air, soil, wetlands, forests, land, bioenergy, and ecosystems,
2. Provide hands-on research training and experiential learning to next generation of leaders in natural resources,
3. Utilize research results and analytical laboratories to provide technical services to the communities, and
4. Promote scientific collaboration and partnership building at state, regional, national, and international levels.

**Implementation Strategies:** To achieve the objectives, The ANSWERS Institute will

1. Enhance existing and/or establish new research facility and analytical laboratories,
2. Develop innovative projects,
3. Write grant proposals and seek funding,
4. Implement projects and conduct cutting edge research,
5. Provide students with hands-on research training, experiential learning, career interest building, and leadership development,
6. Utilize research results to answer technical needs of the communities,
7. Deploy analytical laboratories to provide technical assistance to the clienteles,
8. Promote community awareness on natural resource conservation, and
9. Establish collaborations and partnerships.

**Infrastructure:** The ANSWERS Institute will have four centers. Each center has its unique research foci targeting particular natural and biological resources. Each center is designed to implement the research, education and service that address the need of the particular foci. The research foci of each center complement each other and are cohesively linked among centers which will carry out the Institutes’ implementation strategies. The four centers are

1. Center for Air Quality and Bioenergy
2. Center for Nutrient, Soil, and Land Management
3. Center for Water and Ecosystem
4. Center for Remote Sensing

I. POLICY STATEMENT AND RATIONALE
This Program Accountability and Demand Assessment policy examines a program’s performance in terms of its alignment with regional and statewide workforce demands, while recognizing the need for fiscal sustainability. The results of this annual assessment will support decisions related to the overall health and viability of academic programs.

II. POLICY SCOPE AND AUDIENCE
This policy applies to all academic, career and technical instructional programs (programs, hereafter) at all Southern University System Campuses.

III. POLICY COMPLIANCE
All academic and career and technical programs shall be required to conduct an annual program accountability and demand assessment.

IV. POLICY DEFINITIONS
Classification of Instructional Programs (CIP): The CIP provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. CIP was originally developed by the U.S. Department of Education's National Center for Education Statistics (NCES) in 1980, with revisions occurring in 1985, 1990, and 2000.

Louisiana Star Job Rating: The Louisiana Workforce Investment Council’s Star Jobs Rating System ranks occupations in Louisiana a combination of long term and short term employment projections by occupation, available openings, and wages. 4- and 5-Star Jobs are recognized as offering the best opportunities for career growth and high wages to Louisiana job seekers.
Partnerships: In this context, the term "partnership" describes support efforts that may include service on advisory committees, student scholarships, internships, apprenticeships, full-time student placements, cash donations, equipment/land donations, etc.

V. POLICY IMPLEMENTATION PROCEDURES

All program assessments will be conducted in the fall based on data from the previous academic year. The attached template will be used as the reporting instrument, the format of which can be adjusted by the System President as appropriate. It is expected that the assessment process will be completed in December. Assessment reports will be presented to the President-Chancellor in January for final review and approval. Upon receipt of a completed campus report with recommendations from each campus’s Chancellor, the System President-Chancellor will make a final determination on a program’s overall health and demand, and will brief the Southern University Board of Supervisors accordingly. This effort will be coordinated by the staff in the Office of Strategic Planning, Policy, and Institutional Effectiveness working in conjunction with the Chief Academic Officers, as well as the senior leadership for Research, Workforce, Economic Development, Finance/Administration, Enrollment Management, and Institutional Research staff, on each campus.

VI. POLICY RELATED INFORMATION

The Louisiana Department of Economic Development, Workforce Commission, and Board of Regents all serve as key stakeholders determining workforce demands and occupational forecasts for the State of Louisiana.

VII. POLICY HISTORY AND REVIEW CYCLE

This is a new policy. The effective date of this policy is determined by the approval dates and signatures of the Chair of the Southern University System Board of Supervisors and the President-Chancellor of the Southern University and A&M College System. This policy is subject to the System and Board approved five-year policy review cycle.

VIII. POLICY URL

This section identifies the Southern University System website where the Board policies are archived www.sus.edu.

IX. POLICY APPROVAL

President-Chancellor Ray L. Belton, Ph.D.

Policy Statement: Southern University at Shreveport is committed to taking appropriate measures to ensure the safety and well-being of children in University—related activities and to report instances of suspected or known child abuse or neglect as required by law.

Rational or Purpose: SUSLA’s commitment reflects the institution’s adherence to its mission, to its various policies supporting its mission, and to relevant state and federal laws. Within that commitment, SUSLA places importance on creating a secure environment for children. To that end, SUSLA has adopted the following child protection policy and procedures.

Scope: In order to ensure the safety and well-being of children, individuals, including SUSLA faculty, staff, students, volunteers, and representatives as well as third-party vendors and their employees, representatives, or volunteers that contract for use of SUSLA facilities, with responsibilities that involve interaction with children (collectively "SUSLA personnel"), must carefully review and abide by the following policy regarding abuse.

Definitions: No form of child abuse, whether physical, emotional or sexual, will be permitted or tolerated under any circumstances whatsoever. Child abuse is morally and legally wrong. It can come in many forms. Harm or threatened harm to a child’s health or welfare can occur through non-accidental physical or mental injury, sexual abuse or attempted sexual abuse or sexual exploitation of attempted sexual exploitation.

"Sexual abuse" may be perpetrated by an adult or another child and includes the employment, use, persuasion, inducement, enticement, or coercion of any child to engage in, or having a child assist any other person to engage in, any sexually explicit conduct or any simulation of the conduct for the purpose of producing any visual depiction of the conduct; or the rape, molestation, prostitution, or other form of sexual exploitation of children, or incest with children as those acts are defined by Louisiana law. Sexual abuse also includes any activity that is meant to arouse or gratify the sexual desires of the perpetrating adult or child. Sexual abuse may or may not involve touching.

"Sexual exploitation" includes allowing, permitting, or encouraging a child to engage in prostitution and allowing, permitting, encouraging or engaging in the obscene or pornographic photographing, filming, or depicting of a child for commercial purposes.

"Negligent treatment" or "maltreatment of a child" includes the failure to provide adequate food, medical treatment, supervision, clothing, or shelter.

Procedures: If you know or suspect that a child is a victim of child abuse or neglect, you must act. In deciding whether or not to report an incident or situation of suspected abuse or neglect, it is not required that you have proof that abuse or neglect has occurred. Any uncertainty in deciding to report suspected abuse or neglect should be resolved in favor of making a good faith report.
In making a report, your actions should be as follows:

First, immediately report the information to: The Southern University at Shreveport Police Department at 318.670.9349.

Your oral report should include all available information regarding the known or suspected abuse or neglect, including, but not limited to, the name of the child, his or her whereabouts. The names and addresses of the parents, guardian, or caretaker and the character and extent of the injuries. The report should also contain, if known, any evidence of previous injuries to said child and any other pertinent information that might establish the cause of such injury or injuries, and the identity of the person or persons responsible for the same.

Second, do not directly question or solicit information from the child or from the person suspected of improper behavior. That is not your role; the role of investigation lies with city, county, and state officials.

Third, in addition to making an oral report, you must also complete a Child Abuse or Neglect Report Form and deliver the same to the SUSLA Police Department.

Notification Responsibilities:
Any SUSLA employee who is planning an event in which children will be invited to the campus must obtain the written approval of the Chief Administrative Officer prior to the event. Requests for approval of such events must be submitted to the Chief Administrative Officer at least 10 days in advance of any event involving minor children.

Prohibition on Retaliation and Immunity from Liability:
Any person who makes a good faith report of child abuse or neglect shall not be subjected to retaliation. Further, any person or entity that makes a good faith report of child abuse or neglect is immune under Louisiana law from any liability civil or criminal that might otherwise be incurred or imposed.

Forms: Child Abuse or Neglect Report Form

I. POLICY STATEMENT AND RATIONALE
The Southern University Board of Supervisors (SUBOS) established this policy to provide a systematic method for responding to requests for Public Records in accordance with LA R.S. 44: I, et seq.

II. POLICY SCOPE AND AUDIENCE
The purpose of this policy is to familiarize SUBOS employees with the procedures and guidelines by which public records requests are received, vetted, and responded to. This policy further serves to explain the responsibilities of SUBOS employees in relation to this process.

This policy will apply to all public records request.

III. POLICY COMPLIANCE
Failure to adhere to the policy may result in actions under the appropriate Handbook for faculty, staff, and students.

IV. POLICY DEFINITIONS
a. Public Records - Subject to statutory exceptions, “Public Records” under the Louisiana Public Records Act include all books, records, writings, accounts, letters, memoranda, and papers, and all copies, duplicates, or other reproductions thereof, or any other documentary materials, regardless of physical form, including information contained in electronic data processing
equipment used, prepared, possessed or retained for use in the conduct or performance of any business by or under the authority of any public body of this state. (L.A. R.S. 44:1(2)(a)).

b. Public Records Request – Any request for Public Records received by a University employee, department, college, or administrative unit.

V. POLICY IMPLEMENTATION PROCEDURES

The Office of External Affairs in conjunction with the Office of the President will be charged with implementing this policy. The following procedures are established to facilitate the production and response to public records request.

A. Custodian of Records:

a. The President-Chancellor will designate one employee to be the Custodian of Records.

b. This employee will serve as the point of contact for all public records matters.

c. Each Campus within the System will designate at least one Public Records Liaison. These employees, assigned by their respective Chancellor, with guidance from the Custodian of Records and SU General Counsel, are trained to identify which records are public and which are exempt or privileged, in accordance with the Constitution and Public Records Laws.

d. The Custodian of Records is the only employee authorized to communicate with public records requestors about public records requests, unless permission is otherwise granted by the President-Chancellor or his designee.

e. The Custodian of Records or his/her designee will keep a Public Records Request File on each request received. Any communications to the requestor shall be memorialized in writing, by email or regular mail. An electronic copy of the written document will be stored in an electronic Public Records Request File. Additionally, the Custodian of Records or his/her designee will maintain a master log of all public records requests (Public Records Log) to track request receipt, three-day response, and the progress of active requests.

B. Employee Responsibility:

a. It is the responsibility of every employee to forward any public records requests that they receive to the Custodian of Records or Public Records Liaison as soon as possible. Unless it is received after 5:00 PM on weekdays or during the weekend, the request should be delivered the same day it is received. Timely handling of requests is critical to the ability to comply with legal deadlines in the law.

b. Employees who receive public records requests by email will forward those requests to the Custodian of Records using the email address, supublicrecords@sus.edu.

c. Employees who receive public records requests by telephone will instruct the caller to put the request in writing and forward the call to the Custodian of Records at (225) 771-3322.
d. Employees who receive a hard copy of a request will hand deliver the document to the Custodian of Records. Such requests should be marked, "Date Received: xx/xx/xx, by (insert name)."

e. Employees who receive an oral request in-person will ask the requestor to write the request, either on paper, which we can supply, or in an email, and to send the written request to the Custodian of Records.

C. Procedure for Responding to Public Records Request

a. Upon receipt of a public records request, the Custodian of Records or Public Records Liaison will immediately send notice to the requestor that the request was received and identify the date it was received. The requester will be sent the information within three days from the date the request was received or notified of the existence, location and copying to proceed. The Custodian of Records will include a copy of the notice in the Public Records Log. The Custodian of Records will communicate with the appropriate Public Records Liaison(s) to discuss the response and coordinate the collection of records.

b. If no responsive documents are located or SU is not the proper custodian, the Custodian of Records will prepare and deliver a statement to that effect to the requestor. The Custodian of Records will record in the Public Records Request File the response, the date it was sent to the requestor, and the method it was communicated.

c. If further processing is needed, the Custodian of Records will instruct the appropriate Public Records Liaison(s) to collect all documents that may be responsive to the request.

d. Each Public Records Liaison who identifies any responsive records within their area will fill out a standard Public Records Search Response Form (Attachment A) identifying:
   i. How the search was conducted;
   ii. Whether records were located;
   iii. The manner in which the records are stored; and,
   iv. An estimate of the number or volume of potentially responsive documents and the time required to review the documents for privilege.

e. The Public Records Liaison(s) will collect all potentially responsive documents and will evaluate, in consultation with the General Counsel, whether any responsive documents or portions of responsive documents are exempt or privileged, making note of any such instances.

f. The Public Records Liaison(s) may request a search of electronic documents by contacting the designated Information Technology (IT) liaison.

g. If an electronic search is conducted, the Public Records Liaison must identify on the Public Records Search Response Form which search terms were used, IT liaison who conducted the search, and the results of the search. The Public Records Liaison should coordinate review of the results with the Custodian of Records and IT liaison.
h. The Public Records Liaison(s) will provide responsive documents to the Custodian of Records within three (3) days unless an extension is requested, at which time they will have up to fourteen (14) days. If the volume of potentially responsive documents is particularly burdensome, the Public Records Liaison(s) may request more time from the Custodian of Records. If these deadlines cannot be met, the Public Records Liaison(s) will document the reasons in writing in an email to the Custodian of Records.

i. After receipt and review of potentially responsive documents, the Custodian of Records will schedule a review session with the appropriate Public Records Liaison(s), in consultation with SU legal, to discuss which documents the Custodian of Records has determined to be responsive and which documents the Custodian of Records has determined should be withheld. The Custodian of Records will note in the Public Records Request File which documents will be produced and which documents will be withheld. The Public Records Liaison(s) shall be responsible for preparing a privilege log for documents identified as privileged or exempt in coordination with the Custodian of Records and IT liaison.

j. When no payment for record production is necessary, the Custodian of Records will send a response to the requestor. The Custodian of Records will include a copy of the response in the Public Records Request File.

k. When payment for record production is necessary, the Custodian of Records will contact the requestor to indicate the number of responsive records and the total price for record production. Payment must be made in the form of check, money order, or cashier's check, addressed to SU with a notation containing the Public Records Request File Number.

l. Upon receipt of payment from the requestor, the Custodian of Records will send a response, complete with the responsive records, to the requestor. The Custodian of Records will include a copy of the response in the Public Records Request File.

m. Any communications to the requestor shall be memorialized in writing, by email or regular mail. A copy of the written document will be made for the Public Records Request File.

n. Point of Contact: Custodian of Records, (225) 771-3322.

o. Exceptions to this policy must be approved in advance and may be granted by the President-Chancellor or his designee through specific written authority.

p. Confidentiality, to the extent possible, will be observed.

q. This policy supersedes any and all prior policies regarding Public Records.

VI. POLICY RELATED INFORMATION

The information regarding Public Records Request and the Custodian of Records will be posted to the SU System website and all campuses respective websites under News and Media.
VII. POLICY IMPLEMENTATION PROCEDURES
The Office of the President-Chancellor in conjunction with the Office of External Affairs will be charged with implementing this policy.

VIII. POLICY HISTORY AND REVIEW CYCLE
This is a newly created policy. This policy is subject to a five-year policy review cycle.

IX. POLICY APPROVAL
The effective date of this policy is determined by the approval date of the President-Chancellor of the Southern University and A&M College System and the Board of Supervisors of the Southern University and A&M College System.

President-Chancellor Ray L. Belton, Ph.D.
Southern University and A&M College System

I. POLICY STATEMENT AND RATIONALE
The Southern University Board of Supervisors (SUBOS) does not condone hazing in any form at any of their governed institutions. All SUBOS governed institutions shall prohibit hazing and take all reasonable measures to address hazing, including without limitation: adoption of effective policies; clear communication to campus organizations, students and other stakeholders of laws and policies; prompt and faithful enforcement thereof; education; and training. All SUBOS governed institutions shall be committed to providing a supportive educational environment free from hazing, one that promotes its students’ mental and physical well-being, safety and respect for one’s self and others. All SUBOS governed institutions shall implement policies and procedures in compliance with this policy and shall take prompt and appropriate action to investigate and effectively discipline those accused of such conduct in a manner consistent with all applicable laws.

II. POLICY SCOPE AND AUDIENCE
In accordance with Acts 635, 637 and 640 of the 2018 Regular Session of the Louisiana Legislature ("Louisiana Hazing Laws"), the SUBOS hereby adopts this Uniform Policy on Hazing Prevention ("Policy") applicable to all of their governed institutions. This Policy aims to enhance the Legislature's efforts to establish statewide mandatory requirements and is designed to help all SUBOS governed institutions create and maintain safety for all students who participate in the institutions' activities, programs, groups, teams, organizations and Greek-lettered associations.
Each institution’s policy must comply with applicable laws and regulations, and must be amended to reflect any subsequent changes to laws and regulations. SUBOS recognizes that our governed institutions all possess unique characteristics (e.g., presence of Greek life, athletic teams, band and other such organizations vs. the lack thereof; commuter vs. residential campuses; large vs. small campuses, presence of campus police and residential advisors vs. the lack thereof). Thus, it is within the purview of each institution’s administration to review, evaluate and apply this Policy in a manner that ensures that it adequately aligns with each institution’s campus characteristics and resources, provided that the interpretation and implementation are in furtherance of the requirements of this Policy and do not result in substantive changes to the Policy. Our governed institutions may also develop supplementary procedures to further support the implementation of this Policy. However, the mandatory provisions of this Policy establish the minimum requirements with which all institutional policies must comply.

Each governed institution shall establish policies and procedures in full compliance with this Policy and implement such policies no later than the beginning of AY 2018-19. Each policy shall be reviewed for compliance with this Policy and applicable laws and regulations and upon verification of such compliance, this management board shall forward the institutional policies to Board of Regents by September 15, 2018.

For purposes of this Policy, the definitions of key terms and other mandatory provisions shall remain consistent with those in Acts 640 and 635 and 637 of 2018, codified at R.S. 17:1801.1, R.S. 14:40.8 and R.S. 14:502 respectively. In cases of any inconsistency, the statutory provisions shall supersede any such inconsistent provision in this Policy. The statutory provisions and this Policy shall supersede any inconsistent provision in an institution’s policy.

III. POLICY COMPLIANCE
All institutions subject to this Policy shall adopt an institutional policy in accordance with all applicable laws and this Policy.

IV. POLICY DEFINITIONS
a. Governed institution, education institution, or institution is any institution or campus governed by the Southern University Board of Supervisors that is supported wholly or in part by public funds.

b. Hazing means any intentional, knowing, or reckless act by a person acting alone or acting with others that is directed against another when both of the following apply:
   i. The person knew or should have known that such an act endangers the physical health or safety of the other person or causes severe emotional distress.
   ii. The act was associated with pledging, being initiated into, affiliating with, participating in, holding office in, or maintaining membership in any organization.
   iii. Consent is not a defense.
iv. Hazing includes but is not limited to any of the following acts associated with pledging, being initiated into, affiliating with, participating in, holding office in, or maintaining membership in any organization:

1. Physical brutality, such as whipping, beating, paddling, striking, branding, electric shocking, placing of a harmful substance on the body, or similar activity.
2. Physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, or calisthenics, that subjects the other person to an unreasonable risk of harm or that adversely affects the physical health or safety of the individual or causes severe emotional distress.
3. Activity involving consumption of food, liquid, or any other substance, including but not limited to an alcoholic beverage or drug, that subjects the individual to an unreasonable risk of harm or that adversely affects the physical health or safety of the individual or causes severe emotional distress.
4. Activity that induces, causes, or requires an individual to perform a duty or task that involves the commission of a crime or an act of hazing.

For purposes of this Policy, hazing shall not include a physical activity that is normal, customary, and necessary for a person's training and participation in an athletic, physical education, military training, or similar program sanctioned by the postsecondary education institution.

c. **Organization** is a fraternity, sorority, association, corporation, order, society, corps, cooperative, club, service group, social group, band, spirit group, athletic team, or similar group whose members are primarily students at, or former students of, a postsecondary education institution, including the national or parent organization of which any of the underlying entities provided for in this definition is a sanctioned or recognized member at the time of the hazing.

d. **Pledging** is any action or activity related to becoming a member of an organization, including recruitment and rushing.

e. **Appropriate authority** includes:
   i. Any state or local law enforcement agency.
   ii. A 911 Public Safety Answering Point as defined in Title 33 of the Louisiana Revised Statutes of 1950.
   iii. Emergency medical personnel.

f. **Reckless behavior** is an activity or behavior in which a reasonable person knew or reasonably should have known that the activity or behavior may result in injury to another, including but not limited to excessive consumption of alcohol, binge drinking, drag racing, consumption of any controlled dangerous substance, acts of hazing, or other similar activity.

g. **Serious bodily injury** is bodily injury that involves unconsciousness, extreme physical pain, or protracted and obvious disfigurement, or protracted loss or
impairment of the function of a bodily member, organ, or mental faculty, death, or a substantial risk of death.

V. POLICY IMPLEMENTATION PROCEDURES

After the adoption of this policy, each governed institution shall immediately post this policy, as written, on their respective websites; disseminate a hard copy of this policy to all students at orientation or if orientation has occurred prior to the adoption of this policy, disseminate a hard copy to all students via email; and revise or expand all related policies at their institution’s. Governed institutions shall update all applicable policies before September 21, 2018.

a. Each institution’s policy must comply with applicable laws and regulations, and must be amended to reflect any changes to such laws and regulations, including but not limited to the following:

i. Act 635 of the 2018 Regular Session of the Louisiana Legislature, which creates the crime of criminal hazing, provides definitions and exceptions, and establishes exceptions and penalties;

ii. Act 637 of the 2018 Regular Session of the Louisiana Legislature, which creates an obligation to offer reasonable assistance, including seeking medical assistance, to someone who has suffered serious bodily injury caused by reckless behavior, including hazing; and,

iii. Act 640 of the 2018 Regular Session of the Louisiana Legislature, which prohibits hazing at Louisiana’s postsecondary institutions, requires BOR to adopt a uniform policy on hazing prevention, requires postsecondary institutions to adopt and expand on BOR’s uniform policy in a manner consistent with the laws and BOR policy.

Failure to comply with any applicable laws and regulations, including those listed above, shall constitute a failure to comply with this Policy.

SUBOS shall make all due diligence efforts to ensure its governed institutions’ compliance with applicable laws and regulations, including those listed above.

While the provisions of the laws listed above are mandatory components of the system policy, the best practices listed in Section VI below are SUBOS’s guidance to the institutions on the implementation of hazing laws. Institutions may supplement the provisions of this Policy as necessary, but any such supplemental provision shall comply with the laws and this Policy.

b. In addition to the definitions and other provisions in compliance with laws and regulations, including those listed above, all SUBOS governed institutions shall implement the following measures to prevent and address hazing, beginning in fall 2018, unless otherwise noted:

i. Prevention and Education Programs
